MINUTES OF THE MEETING

held at 8:00pm on Tuesday 11th August 2009.....

At Paechtown Rd, Hahndorf.

Present: Andrew Loose, Asha Ketteridge, Dave Taylor, Lin Green, Alison Ward, Jo Clippingdale

Apologies: Ty Manning, Kevin Colla, Tom Clippingdale, Andrew Ketteridge

Confirmation of the minutes of the previous meeting:

Alison motioned to accept the previous minutes, seconded by Asha.

Business arising from the minutes:

1. Club Tent – Ty was away, so will be discussed at next meeting.
2. Club Website – Andrew K still finishing final details.
3. Marshalling Roster – **Alison** will have board ready for Sunday's race. For race dates that are unconfirmed will just include monthly headings for November and December.
4. Uniforms – Ali provided full inventory, noted limited supply of small sizes of men's bathers. **Alison** to send email to all club members including the full inventory and prices to allow people to see exactly what is available and so encourage uniform purchases. At the same time to canvass members as to their requirements, if numbers justify to source purchasing new items. If there aren't enough orders for new items then to again promote having "Tribe" stencilled onto members' current race wear.
5. State Road Duathlon – definitely not interested in hosting this.
6. Cromer Feedback – great response to questionnaire mostly extremely positive and complimentary.

Treasurer's report:

Lin to chase up insurance matters for club trailer and Public Liability.

TriSA Delegate's report:

Next meeting is AGM on 24th August.

Uniform report:

Ali sending email to all members with inventory and requirements.

Race Director's report:

By proxy Kevin noted he will be in contact with Mark Bloomfield during the week over details for Sunday's race. Dates for next two club races confirmed. Sunday 27th September and Sunday 18th October, both road duathlons from Bushland Park, Lobethal. Decided to make Christmas race a handicapped event.

Social Update:

Decided to try to have sausage sizzle after each race to encourage members to stay and socialise. **Andrew L** to purchase sausages & bread. If weather unsuitable to try to go to a local café for coffee.

Lin offered the possibility of a training weekend for all club members, staying at his house in Victor Harbour. Next meeting to check race calendars and set a date for this.

Any other business:

1. Lin has star droppers he can lend to club for races if necessary. **Lin** and **Andrew L** to get prices for dropper caps - will purchase cheapest option.
2. **Andrew L** to call Digby to confirm details for spin training sessions, then **Jo** will email club members to promote these more.
3. Noted receipt of letter from active club programme, our application for funding unsuccessful.

Next meeting to be held: Tuesday 8th September at Bird in Hand Rd, Woodside.

Meeting closed: 9.30 pm.
